teamCOPC PELOTONIA

Together, better than we could do it alone, we will END CANCER!

Dear Merchant:

We ask you to please invite your customers to make an Arrow Donation of $1 or more to support Pelotonia, and for you to display them. Keep track of the donations, and our rider will keep in touch to collect them. Offering your customers this way of fighting cancer shows that you also care, and you doing something about it.

Pelotonia is a grassroots cycling event raising money for the Ohio State University James Cancer Hospital and Solove Research Institute. 100% of every dollar collected for Pelotonia goes to life-saving cancer research.

This year's ride is August 4-6. To learn more about Pelotonia, visit www.Pelotonia.org.

teamCOPC is a group of Pelotonia participants from Central Ohio Primary Care involved. Anyone can ride or volunteer with teamCOPC. To learn more or if you have any questions, please email teamCOPC@gmail.com or visit www.teamCOPC.org.

Thank you very much for helping.
